

**BAYFIELD  
AREA TRAILS**

## We need your help!

Your tax-deductible donation will help us complete important trail projects and strengthen Bayfield Area Trails' infrastructure. Some of our 2026 planned projects and priorities are listed below.

## Salmo Trail Accessibility Project

Lake viewing area on the Salmo Lakewalk Trail.

Just look at that amazing view at the end of the Salmo Lakewalk Trail! We're committed to making that view accessible to all!

We've raised over \$65,000 for the materials and equipment needed for this project. Now, your donation will support hiring the Wisconsin Conservation Corps (WisCorps) to build 330 feet of elevated boardwalk leading to a new lakeview platform.

Invest in the future! WisCorps' mission is to engage the next generation of environmental leaders through guided, hands-on, service opportunities that benefit our region's public lands.

## Additional Planned Projects for 2026

- Complete and implement the long-term trails plan.
- Enhance communications and outreach efforts.
- Continue to build a sustainable BATs organization.
- Expand the Big Ravine system with the Sweeny Loop.
- Enhance accessibility on existing trails.
- Add connections in the Siskiwit River Preserve.
- Repair Pikes Creek bridge on Pileated Woodpecker Trail.
- Other projects as time and funding allow.

Boardwalk in the Siskiwit River Preserve.

**Thank you for  
your support!!**
